

Appendix 3

Directions for Accessing the Wildfire FTP Site

Use the hyperlink <ftp://fire.env.gov.bc.ca> or type this information into the address bar of an internet explorer. You should see the folders listed below.

Log on to the wildfire ftp site. From the file pull down menu select Login As ... If you do not see this option, contact the Wildfire FTP coordinator listed in Appendix 1.

Type in the wildfire ftp site username and password. If you do not have this information, contact the Wildfire FTP Coordinator, the Provincial Emergency Mapping Coordinators or any of the Regional contacts listed in Appendix 1.
